SATURDAY EVENING, DECR. 14.

NOT GUILTY, BUT MUST RETURN THE SHEEP .- Aprapos of the verdict in the Thistleton case at Los Angelos, which cleared the de fendant of libel, while the jury signed a paper declaring the prosecutor pure and free from the charge in the libel, a California editor is reminded of a trial that took place to Justice Wilson's Court at San Diego. A man accused of stealing sheep was on trial. After the evidence was all in, the jury retired, and, as in the Thistleton case, stood eleven for acquittal and one for guilty. Finally the twelfth man agreed to join the others, provided they would sign a verdict as follows: "We the jary, find the de fendant not guilty, but request that he return the sheep." Pertinent to the reason assigned by he Thistleron jury, that "they did not wish to put the courty to further expense," we have another verdict by the San Diego jury, in a esse tried before the same justice. A negro woman had sued a man for assault with a stone. The accused was put upon the stand, and admitted that he had torown the stone. Not withstanding, the jury brought in a verdict of not guilty. In conversation afterward, the members of the jury defended this curious ver diot, on the ground that taxes were already too shop; next a large and substantial FRAME high, and they did not wish to put the county BUILDING, divided into three dwellings—the diet, on the ground that taxes were siready too to additional expense.

MEDICINAL.

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system. and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, Hesdache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stom ach, and general debility follow. MER-RELL'S HEFATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few deses upon yellow complexion or a brown, dirty looking skin, will astonish all who try it-they being the first symp. toms to disappear. The cure of all binous diseases and Liver complaint is made cartain by taking Hepatine in accordance with directions liead one is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given. Take no pills when you can get Hepatine at the same price. For sale by all Droggists PRac E 25c and \$1.

Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease in a thousand is treated without the use of Mercury in some form Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be.
